

VacAway®

Multi-Purpose
Rinse-N-Stop™
 Double Strength

Advanced acid rinse
Anti-resoiling agent

- ▶ Eliminates most reappearing stains and rapid resoiling
- ▶ Neutralizes alkaline residues
- ▶ Stabilizes dyes
- ▶ Decreases drying time
- ▶ Crystallizes upon drying and is easily vacuumed away during routine vacuuming
- ▶ Pleasant Strawberry fragrance

Ingredients: Proprietary... Acidic blend of surfactants, polymers and anti-soiling agents.

Application and Dilution: Use as an extraction rinse after applying prespray to carpet or upholstery.

TWICE as concentrated as other acid rinses.
Truckmounts: Mix 16oz per 5 gallons of stock solution and meter at 2 gal per hour. Do not use at temperatures above 250 degrees Fahrenheit, at the truck, or the polymer in Rinse-N-Stop might dry too fast and cause clogging of wand jets.
Portables: Mix 1/5 to 1 oz per 5 gal of water.
As an anti-resoiling agent: Use undiluted and apply at approximately 1 ounce per square foot to carpeted areas where stains have previously reappeared and to areas where stains are more likely to reappear after cleaning (i.e., areas where spills have occurred from substances such as soft drinks, coffee, detergents,

etc).

Cautions:

- Test all carpet/upholstery for color fastness before using any cleaning product.
- Keep out of the reach of children.
- pH 5.0 - 5.5 when diluted; pH 2.2 - 2.5 as shipped.
- Irritating to eyes and possibly skin... Read MSDS available at www.vacaway.com
- Avoid eye contact or prolonged skin contact. On contact with eyes flush with plenty of water for at least 15 minutes. Call a physician. On contact with skin wash with soap and water.
- Never take internally.
- Do not re-use container. Dispose of this
